Notes:

1. The Explanatory Statement, pursuant to Section 102 of the Companies Act, 2013 ('the Act'), in respect of the business under Item Nos.4 (Special Business) above is annexed hereto.
2. A Member entitled to attend and vote at the Annual General Meeting (AGM) is entitled to appoint a proxy to attend and vote instead of himself and the proxy need not be a Member of the Company. The instrument appointing the proxy, in order to be effective, must be deposited at the Company's Registered Office, duly completed and signed, not less than 48 hours before the meeting. Proxies submitted on behalf of limited companies, societies, etc., must be supported by appropriate resolutions/authority, as applicable. A person can act as proxy on behalf of Members not exceeding fifty (50) and holding in the aggregate not more than 10% of the total share capital of the Company. In case a proxy is proposed to be appointed by a Member holding more than 10% of the total share capital of the Company carrying voting rights, then such proxy shall not act as a proxy for any other person or shareholder.
3. In this Notice, the terms Member(s) or Shareholder(s) are used interchangeably.
4. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended), Regulation 44 of SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015 (as amended), and Secretarial Standard on General Meetings (SS-2) issued by the Institute of Company Secretaries of India ("ICSI"), the Company is providing the facility of remote e-voting to its Members in respect of the business to be transacted at the AGM.

For this purpose, the Company has appointed Central Depository Services (India) Limited ("CDSL") for facilitating voting through electronic means, as the authorized e-voting agency. The facility of casting votes by a Member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.

5. The Register of, Members and the Share Transfer Books of the company will remain closed from September 18, 2023 to September 23, 2023 (both days inclusive).

The payment of dividend: For the financial year 2022-23 your directors have decided not to declare any dividend.

- (a) To all those beneficial owners holding shares in electronic form as per the beneficial ownership data as may be available to the Company by National Securities Depository Limited ("NSDL") and the Central Depository Services (India) Limited ("CDSL") as at the end of the day on September 16, 2023 (between the book closing period)
 - (b) To all those members holding shares in physical form after giving effect to all the valid share transfers lodged with the Company before the closing hours on September 16, 2023.
6. Shareholders are requested to intimate, indicating their folio number, the changes, if any, of their

registered addresses to the Company at its registered office or to the Company's Registrar and Share Transfer Agents ("RTA") viz. PURVA SHAREGISTRY (INDIA) PVT. LTD. situated at Shiv Shakti Ind. Estt. J. R. Boricha Marg Opp. Kasturba Hospital Lane Lower Parel (E) Mumbai – 400 011, in case shares are held in physical form or to their respective Depository Participant ("DP") in case the shares are in dematerialized form. The particulars recorded with the DPs will be considered for making the payment of Dividend either by issuing physical instruments or through Electronic Clearing System ("ECS"). The Shareholders are requested to take appropriate action in the matter, in their own interest, to avoid delay in receiving the payment of dividend. Where dividend payments are made through ECS, intimations regarding such remittances would be sent separately to the shareholders.

7. Trading in the Company's shares through stock exchanges is permitted only in dematerialized/electronic form. The equity shares of the Company have been registered with both NSDL as well as CDSL to enable shareholders to hold and trade the securities in dematerialized/electronic form. In view of the numerous advantages offered by the depository system, members holding shares in the Company in physical form are requested to avail of the facility of dematerialization.
8. Shareholders desiring any information regarding the accounts are requested to write to the Company Secretary at least 7 days prior to the Annual General Meeting, so as to enable the Company to keep the information ready.
9. In accordance with the provisions of Section 123 of the Companies Act, 2013, the Company has transferred unclaimed dividends if any to the "Investor Education and Protection Fund" (IEPF), constituted by the Central Government.
10. The Ministry of Corporate Affairs (MCA) on 10th May, 2012 notified the IEPF (Uploading of information regarding unpaid and unclaimed amounts lying with companies) Rules, 2012 (IEPF Rules), which is applicable to the Company. The objective of the IEPF Rules is to help the shareholders ascertain status of the unclaimed amounts and overcome the problems due to misplacement of intimation thereof by post etc.
11. In terms of Sections 123 of the Companies Act, 2013, any dividend remaining unpaid for a period of seven years from the due date of payment is required to be transferred to the IEPF. Members, who have not encashed their final dividend warrants for any year or thereafter, are requested to write to the Company or the RTA.

In case of non-receipt of the dividend warrants, the shareholders are requested to Contact the Company's RTA/the Registrar of Companies as under:

5. RISK MANAGEMENT

Risk management comprises all the organizational rules and actions for early identification of risks in the course of doing business and the management of such risks.

Although not mandatory, as a measure of good governance, the Company has constituted a Risk Management Committee of the Board. The Committee reviews the Company's performance against identified risks, formulates strategies towards identifying new and emergent risks that may materially affect the Company's overall risk exposure and reviews the Risk Management Policy and structure.

This robust Risk Management framework seeks to create transparency, minimize adverse impact on business objectives and enhance the Company's competitive advantage.

The Internal Audit Department is responsible for facilitating coordination with the heads of various Departments, with respect to the process of identifying key risks associated with the business, manner of handling risks, adequacy of mitigating factors and recommending corrective action. The major risks forming part of the Enterprise Risk Management process are linked to the audit universe and are also covered as part of the annual risk based audit plan.

The Company has adopted a Risk Management Policy pursuant to Section 134 of the Act.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

BUSINESS OVERVIEW:

M/s.Stratmont Industries Limited is looking for new business avenues in various areas like Trading of commodities of Coke, hard coke and other coal / coke related products.

Industry Dynamics

Coke - a derivative of metallurgical coking coal is particularly a raw material used by various industries. Being a vital component in the process of conversion of metallurgical ores into metal, coke plays an important role in the metal industry. The coke industry is dominated by large integrated steel plants (ISPs). Traditionally, coke production has been captive, thus ISPs leaving a measure surplus for merchant trading. But during the past years, a number of pig iron plants have been built in India without captive coke making facilities. Also, most coke oven batteries are located in the eastern region of the country in proximity to steel units. As a result, coke consumers in the western and southern regions have to rely primarily on imported coke.

Major Coke consuming industries

- Pig iron producers and Steel Industry
- Foundry industry
- Ferro- alloys industry
- Blast Furnaces
- Zinc and lead producers
- Cement Industry

CURRENT DYNAMICS

With the global slowdown engulfing the world, the infrastructure sector has also suffered contraction and consequently steel producer's world over have cut down production. This has caused a direct impact on coke demand and pulled down prices. Being cautious in the fragile market scenario, players are keeping low inventory levels and thus the coke demand has seen downturn. However, steel demand in India is far from softening on long term basis, and with inventory levels turning near to ground, the demand is once again expected to resurface. We expect the coke prices to lower at current level in the near term due to weak sentiments but recover to sustainable levels in the medium to long term.

RISK AND THREATS TO BUSINESS:

The steel sector has been severely impacted due to the economic slowdown and the coal consumption as raw material also fell down. This sector requires large amount of funds for investment which has further brought the sector under pressure. Slowdown in industry is generally and specifically to the industry and job losses are having adverse impact on the sector. Difficulty in getting finance at reasonable cost may hamper the business. While these concerns are valid to some extent, the Company believes that in near future we will be able to control the situation because of their skills, competencies, and demand supply gap.

HUMAN RESOURCE MANAGEMENT:

A strong brand image has been built by the Company. This could not have been possible but for the dedicated professional and experienced manpower resources of the company. The Company ensures best manpower resources of the company. The Company ensures best work environment and equal opportunities with better prospects of career development to all its employees.

Since the Company is engaged in trading activity therefore minimum number of staff and workers has been retained in the Company to oversee day to day operations. The Company cares for its personnel and considers them as their assets. The Company is exposed to risks from market fluctuation of interest rate and stock market fluctuation of the share price.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:

The Company has an in house internal audit department which examines and ensures adequate internal checks and control procedures. It also ensures proper accounting, records authorization, control of operations and compliance with law. Further the Company is continuously working to improve and strengthen internal check and control system to align with the expected growth in operations.

RISK MANAGEMENT:

The Company is taking care of its risk management through robust risk management system. Risks are being identified to achieve its strategic business objective, plans are made, implemented and monitored to mitigate such risks.

COMPLIANCE WITH LOCAL LAWS:

THE Company believes strongly in complying with the laws of various states where it operates. The Company has legal set up for ensuring compliance with all statutes which are applicable periodically to its operations/ ventures. Any approvals or permissions related to specific operations are either handled by legal cell or by the concerned department.

CAUTIONARY STATEMENT:

In accordance with the code of corporate governance approved by the Securities and Exchange Board of India, shareholders and readers are cautioned that in case of data and information external to the Company, no representation is made on its accuracy or comprehensiveness through the same are based on sources believed to be reliable. INDEPENDENT AUDITORS' REPORT

To,
The Members of
STRATMONT INDUSTRIES LIMITED
Report on the standalone Financial Statements

Opinion

We have audited the financial statements of **STRATMONT INDUSTRIES LIMITED (“the Company”)**, which comprise the balance sheet as at March 31, 2023, and the statement of profit and loss (including other comprehensive income), statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (Collectively referred to as ‘standalone financial statements’).

in our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs (financial position) of the Company as at March 31, 2023, and its profit (financial performance including other comprehensive income), changes in equity and its cash flows for the year ended on that date:-

- a. In the case of the balance sheet, of the state of affairs of the company as at 31st March 2023,
- b. In the case of the statement of profit and loss, of the profit (financial performance including other comprehensive income), changes in equity; and
- c. In the case of the cash flow statement, of the cash flow statement for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance. In our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, We have determined that there are no key audit matters to communicate in our report.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises

the information included in the annual report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

Responsibility of Management for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards ('Ind AS') specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Boards of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Standards on Auditing ('SAs'), we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) of the Act, We are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Government of India – Ministry of Corporate Affairs in terms of sub-section (11) of section 143 of the Act, we enclose in the "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the said Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b. In our opinion proper books of account as required by law have been kept by the company so far as it appears from our examination of those books;
 - c. The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes In Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of accounts;
 - d. In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards prescribed under Section 133 of the Act read with Companies (Indian Accounting Standard), Rules 2015 as amended.
 - e. On the basis of the written representations received from the directors as on 31 March 2023, taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2023, from being appointed as a director in terms of section 164(2) of the Act ;
 - f. With respect to the adequacy of the internal financial controls over financial Reporting of the Company and the operating effectiveness of such controls, Refer to our separate Report in "**Annexure B**".
 - g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the Remuneration paid by the Company to its directors during the year is in accordance with the provisions Of section 197 of the Act.

- h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us :
- i. The Company does not have any pending litigations which would impact its financial position.
- ii. The Company did not have any long term contract including derivative contract ; as such the question of commenting on any material foreseeable losses thereon does not arise;
- iii. There has not been any occasion in case of the Company during the year under report to transfer any sums to the investor education and protection fund. The question of delay in transferring such sums does not arise.
- iv. - i. (a) (A) The Company is maintaining proper records showing full particulars, including quantitative details and situation, of Property, Plant and Equipment.

(B) The Company is maintaining proper records showing full particulars of Intangible Assets.
- (b) The Property, Plant and Equipment are physically verified by the Management according to a phased programme designed to cover all the items over a period of three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, a portion of the Property, Plant and Equipment has been physically verified by the Management during the year and no material discrepancies have been noticed on such verification.
- (c) The title of all the Property, plant and equipment are held in the name of the Company
- (d) The Company has not revalued its Property, Plant and Equipment (including Right-of-use assets) or intangible assets during the year. Accordingly, the reporting under Clause 3(i)(d) of the Order is not applicable to the Company.
- (e) Based on the information and explanations furnished to us, no proceedings have been initiated on or are pending against the Company for holding benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) (formerly the Benami Transactions (Prohibition) Act, 1988 (45 of 1988)) and Rules made thereunder, and therefore the question of our commenting on whether the Company has appropriately disclosed the details in its standalone financial statements does not arise.
- ii. (a) The inventory has been physically verified during the year by the management. In our opinion, the frequency of verification, coverage & procedure of such verification is reasonable and appropriate. No material discrepancies were noticed on such verification.

(b) During the year, the Company has been sanctioned working capital limits in excess of 5 crore, in aggregate, from banks on the basis of security of current assets and collateral assets. The Company has filed statements with such banks, which are in agreement with the books of account
- iii. According to the information explanation provided to us, the Company has not made any investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties. Hence, the requirements under paragraph 3(iii) of the Order are not applicable to the Company.
- iv. In our opinion and according to the information and explanations given to us, the Company has not either directly or indirectly, granted any loan to any of its directors or to any other person in whom the director is interested, in accordance with the provisions of section 185 of the Act and the Company has not made investments through more than two layers of investment companies in accordance with the provisions of section 186 of the Act. Accordingly, provisions stated in paragraph 3(iv) of the Order are not applicable to the Company.

- v. The Company has not accepted any deposits or amounts which are deemed to be deposits within the meaning of Sections 73, 74, 75 and 76 of the Act and the Rules framed there under to the extent notified.
- vi. The provisions of sub-section (1) of section 148 of the Act are not applicable to the Company as the Central Government of India has not specified the maintenance of cost records for any of the products of the Company. Accordingly, the provisions stated in paragraph 3 (vi) of the Order are not applicable to the Company.
- vii. (a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, undisputed statutory dues including goods and service tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess have been regularly deposited by the company with appropriate authorities in all cases during the year.
- (b) According to the information and explanation given to us and the records of the Company examined by us, there are no dues of income tax, goods and service tax, customs duty, cess and any other statutory dues which have not been deposited on account of any dispute.

Annexure B

To The Independent Auditor's Report Of Even Date On The Financial Statements of STRATMONT INDUSTRIES LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the Internal Financial Controls over financial reporting of STRATMONT INDUSTRIES LIMITED ("the Company") as of March 31, 2023 in conjunction with our audit of the IND AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the criteria established by the Company considering the size of company and essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("the Guidance Note"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the IND AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls with reference to financial statements

A company's internal financial control over financial reporting is a process designed to provide reasonable

assurance regarding the reliability of financial reporting and the preparation of IND AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of IND AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the IND AS financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls were operating effectively as at March 31, 2023, based on the assessment of essential components of internal controls over financial reporting stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India

Notes to the financial statements for the year ended March 31, 2023.

(All amounts are in **Indian Rupees in Lacs** unless otherwise stated)

1. Company Overview**1.1 General Information**

Stratmont Industries Limited ("The Company") formerly known as Chhattisgarh Industries Limited is a public limited company incorporated in India under the provisions of Companies Act, 1956 and validly existing under Companies Act, 2013. Equity shares of the Company are listed with BSE Limited. The Company is presently engaged in the business of trading of coking coal/ LAMC/Steel etc.

1.2 Basis of preparation

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards ("Ind AS") notified under Section 133 of the Companies Act, 2013 [the Companies (Indian Accounting Standards) Rules, 2015, as amended] and other relevant provisions of the Act.

The financial statements were authorized for issue by the Board of Directors on 30th May, 2023.

a) Basis of measurement

The financial statements have been prepared on a historical cost basis.

b) Current versus non-current classification

The company presents assets and liabilities in the balance sheet based on current and non-current classification. All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle (twelve months) and other criteria set out in the Schedule III to the Act.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

c) Functional and presentation currency

These financial statements are presented in Indian Rupees (INR), which is the company's functional currency. All amounts have been rounded-off to the nearest Indian Rupee in Lacs.

2. Summary of significant accounting policy:

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

a) Use of estimates

The preparation of the financial statements in conformity with Ind AS requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenue, expenses, assets and liabilities at the end of period / year. Although

these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

b) Property, plant and equipment

• **Recognition and measurement**

Freehold land if any is carried at historical cost. All other items of property, plant and equipment if any are stated at cost less accumulated depreciation and accumulated impairment loss, if any. Cost comprises of purchase price and any directly attributable costs of bringing the asset to its working condition for the intended use. Any trade discounts and rebates are deducted in arriving at the purchase price.

Borrowing costs attributable to construction or acquisition of a qualifying asset for the period up to the date, the asset is ready for its intended use are included in the cost of the asset to which they relate. Capital work-in-progress if any is comprises of the cost of property, plant and equipment that are not yet ready for their intended use as at the balance sheet date.

• **Subsequent costs**

The cost of replacing a part of an item of property, plant and equipment is recognized in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the company and its cost can be measured reliably. The carrying amount of the replaced part is de recognized. The costs of the day-to-day servicing of property, plant and equipment are recognized in the statement of profit and loss as incurred.

• **Derecognition**

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Gains and losses on disposal of an item of property, plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment, and are recognized net and disclosed within other income or expenses in the statement of profit and loss.

Depreciation is calculated over the depreciable amount, which is the cost of an asset, or other amount substituted for cost, less its residual value. Depreciation is recognized wherever applicable in the statement of profit and loss on a straight-line basis over the estimated useful lives of each part of an item of property, plant and equipment as prescribed in Schedule II of the Companies Act2013.

c) Impairment of non-financial assets

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors.

An impairment loss is recognized wherever the carrying amount of an asset exceeds its

recoverable amount. The recoverable amount is the greater of the asset's fair value less costs to sell and its value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and risks specific to the asset.

d) Inventories

Inventories if any which comprise of coal/coke are valued at lower of cost and net realizable value. Cost is determined using FIFO Method.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

e) Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise cash at banks and cash on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

f) Revenue recognition

Revenue from sale of goods is recognized when all significant risks and rewards of ownership of the goods are passed on to the buyer, recovery of the consideration is probable, the associated costs can be estimated reliably, there is no continuing effective control over, or managerial involvement with, the goods, and the amount of revenue can be measured reliably. It also includes custom/cess and excludes Goods and Service tax (GST). Sales are stated net of discounts, rebates and returns.

g) Other income

- **Interest income**

Interest income from debt instruments is recognized using effective interest rate method (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortized cost of a financial liability.

- Any other income is accounted for on accrual basis.

h) Borrowing costs

Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs that are not directly attributable to the acquisition, construction or production of a qualifying asset, are expensed in the period in which they are incurred.

i) Employee Benefits**Short-term employee benefits**

All employee benefits payable wholly within twelve months of rendering the services are classified as short-term employee benefits. Benefits such as salaries, wages, expected cost of bonus and short-term compensated absences, ex-gratia, performance pay etc. are recognized in the period in which the employee renders the related service.

j) Income tax

Tax expense comprises current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities. The tax rates and tax laws used to compute the amount are those that are enacted at the reporting date. Current income tax relating to items recognized directly in equity is recognized in equity and not in the statement of profit and loss.

Deferred income taxes reflect the impact of timing differences between taxable income and accounting income originating during the current year and reversal of timing differences for the earlier years. Deferred tax is measured using the tax rates and the tax laws enacted at the reporting date. Deferred income tax relating to items recognized directly in equity is recognized in equity and not in the statement of profit and loss.

Deferred tax liabilities are recognized for all taxable temporary differences, except deferred tax liability arising from initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, affects neither accounting nor taxable profit/ loss at the time of transaction. Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses, except deferred tax assets arising from initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, affects neither accounting nor taxable profit/ loss at the time of transaction. Deferred tax assets are recognized only to the extent that sufficient future taxable income will be available against which such deferred tax assets can be realized.

At each reporting date, the Company re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax asset to the extent that sufficient future taxable income will be available against which such deferred tax assets can be realized.

The carrying amount of deferred tax asset is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available against which such deferred tax assets can be realized.

Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to the same taxable entity and the same taxation authority.

Deferred tax relating to items recognized outside the statement of profit and loss is recognized in co-relation to the underlying transaction either in other comprehensive income or directly in equity.

k) Provisions and contingencies

A provision is recognized when the company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

When the company expects some or all of a provision to be reimbursed, the reimbursement is recognized as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost in the statement of profit and loss.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

Contingent assets are not recognized in financial statements, unless they are virtually certain. However, contingent assets are disclosed where inflow of economic benefits are probable.

Provisions, contingent liabilities and contingent assets are reviewed at each balance sheet date.

l) Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

- Level 1-Quoted(unadjusted) market prices in active markets for identical assets or liabilities

- Level 2 - valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 - valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognized in the financial statements on a recurring basis, the company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period. For the purpose of fair value disclosures, the company has determined classes of assets and liabilities based on the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy.

m) Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

Initial recognition and measurement

Financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

Subsequent measurement

For the purpose of subsequent measurement, financial assets are classified as:

Financial assets at amortized cost

Financial assets that are held within a business model whose objective is to hold assets for collecting contractual cash flows and whose contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding are subsequently measured at amortized cost using the effective interest rate method. The change in measurements are recognized as finance income in the statement of profit and loss.

Financial assets at fair value through other comprehensive income (FVTOCI)

Financial assets that are held within a business model whose objective is achieved both by collecting contractual cash flows and selling the financial assets and the assets' contractual cash flows represent solely payments of principal and interest on the principal amount outstanding are subsequently measured at fair value. Fair value movements are recognized in other comprehensive income.

Financial assets at fair value through profit or loss (FVTPL)

Any financial asset which does not meet the criteria for categorization as financial instruments at amortized cost or as FVTOCI, is classified as financial instrument at FVTPL.

Financial instruments included within the FVTPL category are subsequently measured at fair value with all changes recognized in the statement of profit and loss.

Financial liabilities

Initial recognition and measurement

Financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

Subsequent measurement

For the purpose of subsequent measurement, financial liabilities are classified as:

Financial liabilities at amortized cost

Financial liabilities such as loans and borrowings are subsequently measured at amortized cost using the effective interest rate method. The change in measurements are recognized as finance costs in the statement of profit and loss.

Financial liabilities at fair value through profit or loss (FVTPL)

Financial liabilities include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss if the recognition criteria as per Ind AS 109 are satisfied. Gains or losses on liabilities held for trading are recognized in statement of profit and loss. Fair value gains or losses on liabilities designated as FVTPL attributable to changes in own credit risk are recognized in other comprehensive income. All other changes in fair value of liabilities designated as FVTPL are recognized in the statement of profit and loss.

Impairment of financial assets

The company applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss on the financial assets mentioned below:

- Financial assets that are debt instrument and are measured at amortized cost
- Financial assets that are debt instruments and are measured as at FVOCI
- Trade receivables under Ind AS18

ECL is the difference between contractual cash flows that are due and the cash flows that the Company expects to receive, discounted at the original effective interest rate.

For impairment of trade receivables, the company chooses to apply practical expedient of providing expected credit loss based on provision matrix and does not require the Company to track changes in credit risk. Percentage of ECL under provision matrix is determined based on historical data as well as futuristic information.

n) Earnings per share (EPS)

Basic EPS is calculated by dividing the profit for the year attributable to equity holders of the company by the weighted average number of equity shares outstanding during the

financial year, adjusted for bonus elements inequity shares issued during the year and excluding treasury shares.

Diluted EPS adjust the figures used in the determination of basic EPS to consider

- The after-income tax effect of interest and other financing costs associated with dilutive potential equity shares and
- The weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

o) New Amendments

Ministry of Corporate Affairs (“MCA”) notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 23, 2023, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2023, applicable from April 1st, 2023, as below:

- i** Ind AS 103 – Reference to Conceptual Framework The amendments specify that to qualify for recognition as part of applying the acquisition method, the identifiable assets acquired and liabilities assumed must meet the definitions of assets and liabilities in the Conceptual Framework for Financial Reporting under Indian Accounting Standards (Conceptual Framework) issued by the Institute of Chartered Accountants of India at the acquisition date. These changes do not significantly change the requirements of Ind AS 103.
- ii** Ind AS 16 – Proceeds before intended use The amendments mainly prohibit an entity from deducting from the cost of property, plant and equipment amounts received from selling items produced while the company is preparing the asset for its intended use. Instead, an entity will recognise such sales proceeds and related cost in profit or loss.
- iii** Ind AS 37 – Onerous Contracts - Costs of Fulfilling a Contract The amendments specify that that the ‘cost of fulfilling’ a contract comprises the ‘costs that relate directly to the contract’. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts.
- iv** Ind AS 109 – Annual Improvements to Ind AS (2021) The amendment clarifies which fees an entity includes when it applies the ‘10 percent’ test of Ind AS 109 in assessing whether to derecognise a financial liability.
- v** Ind AS 116 – Annual Improvements to Ind AS (2021) The amendments remove the illustration of the reimbursement of leasehold improvements by the lessor in order to resolve any potential confusion regarding the treatment of lease incentives that might arise because of how lease incentives were described in that illustration.

The Company is assessing the impact of these changes and will accordingly incorporate the same in the financial statements for the year ending March 2023.

p) Property, plant and equipment:

An item of property, plant and equipment is recognised as an asset if it is probable that future economic benefits associated with the item will flow to the Company and its cost can be measured reliably. This recognition principle is applied to costs incurred initially to acquire an item of property, plant and equipment and also to costs incurred subsequently to add to, replace part of, or service it. All other repair and maintenance costs, including regular servicing, are recognised in the statement of profit and loss as incurred. When a replacement occurs, the carrying value of the replaced part is de-recognized. Where an item of property, plant and equipment comprises major components having different useful lives, these components are accounted for as separate items. Property, plant and equipment is stated at cost or deemed cost applied on transition to Ind AS, less accumulated depreciation and impairment. Cost includes all direct costs and expenditures incurred to bring the asset to its working condition and location for its intended use. Trial run expenses are capitalised. Borrowing costs incurred during the period of construction is capitalised as part of cost of qualifying asset. The gain or loss arising on disposal of an item of property, plant and equipment is determined as the difference between sale proceeds and carrying value of such item, and is recognised in the statement of profit and loss.

23.3 Financial risk management

The Company's activities exposes it to market risks, credit risks and liquidity risks. The Company's management have overall responsibility for the establishment and oversight of the Company's risk management framework. The Company's risks are reviewed regularly to reflect changes in market conditions and the company's activities.

The Company has exposure to the following risks arising from financial instruments :

a. Credit risk

Credit risk is the risk of financial losses to the Company if a customer or counterparty to financial instruments fails to discharge its contractual obligations. It arises primarily from the Company's receivables from customers. To manage this, the Company periodically assesses the key accounts receivable balances as per Ind-AS 109 : Financial Instruments, the Company uses expected credit loss model to assess the impairment loss or gain.

The carrying amount of trade and other receivables and other financial assets represents the maximum credit exposure.

i. Trade receivables

The management has established accounts receivable policy under which customer accounts are regularly monitored. . The management reviews status of critical accounts on a regular basis. The Company measures the expected credit loss of trade receivables based on historical trend. Loss rates are based on actual credit loss experience and past trends. Based on the historical data, loss on collection of receivable is not material hence no provision considered.

23.3 Financial risk management**Trade receivables that were not impaired**

23.3 Financial risk management

c. Market risk

Market risk is a risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimizing the return. Market risk comprises three types of risk interest rate risk, currency risk and other price risk such as equity price risk. Financial instruments affected by market risk include borrowings, trade and other payables, loans, trade and other receivables, deposits with banks.

i. Foreign currency risk

Foreign currency risk is the risk that fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rate. Company transacts business in its functional currency (INR) only. Accordingly, the company is not exposed to any foreign currency risk as neither operates internationally nor has any foreign currency transaction..

ii. Interest rate risk
